

BUILDING A BALANCED WORLD

THROUGH SUSTAINABLE CONSTRUCTION

MAPLE PEOPLE IS
AN **INNOVATIVE**
AND ETHICAL
CONSTRUCTION
COMPANY.

WE DESIGN AND BUILD EXCEPTIONAL COMMERCIAL INTERIORS.

Our approach blends together all the things that matter the most to us, to you and the planet. We do this by using efficiency and passion. All without a financial burden.

Construction & Commercial Fit-Out

Our drive is Shell & Core to Cat B fit outs. We form partnerships with individuals, businesses and, above all, clients to ensure that we install the right infrastructure for a sustainable future.

Design & Build

Our Design & Build team offers the perfect platform to educate, explore and execute our initiatives for efficiencies and innovations. All without costing our clients any more time or money.

OUR CLIENTS

**DID YOU KNOW THAT
CONSTRUCTION AND
OCCUPATION ARE
RESPONSIBLE FOR**

45%

**OF THE UK'S CARBON
EMISSIONS?**

It sounds bad (it is!),
but we see it as an opportunity;
it means businesses like ours can
make a huge difference.
We just need teamwork and
partnerships.

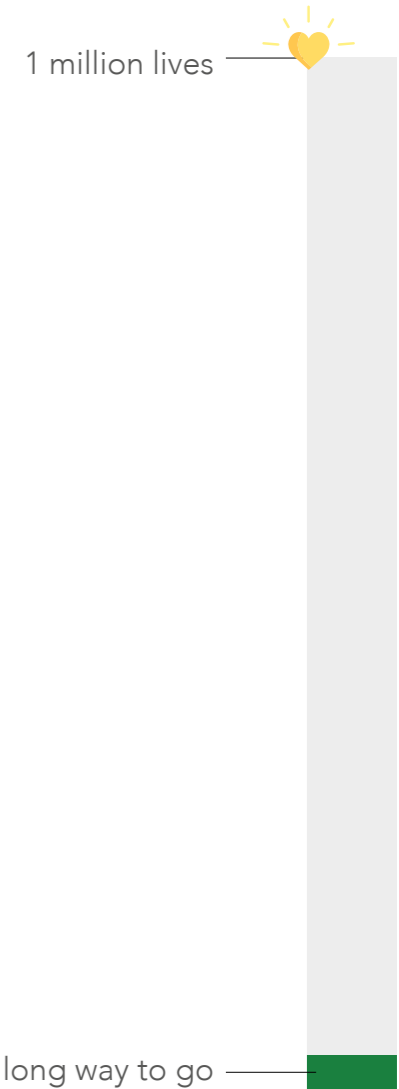

WE CHOOSE TO WORK
WITH OUR PLANET
AND ITS RESOURCES,
IN RETURN FOR
INSPIRATION.

This is essentially who Maple People are and we are proud of it!

**PEOPLE ARE OUR
PRIORITY AND ALWAYS
WILL BE. PEOPLE ARE
ALL INTERCONNECTED,
AS ARE THE
REPERCUSSIONS OF
OUR ACTIONS.**

We focus on people's wellbeing in all aspects of the construction business; from our employees and builders to the occupants of our spaces. Through our partners Charity: Water we give back 10% of our profits with the aim of touching 1 million lives.

**WE ALSO INVEST
OUR PROFITS INTO
INNOVATIVE NEW
WAYS TO DESIGN &
BUILD SPACES**

Our profits are invested into innovation and funding a better future through research and development. This helps us create something special for our clients and leave the world a little better than how we found it.

**OUR VISION LIES
IN A **BALANCED**
CONSTRUCTION
INDUSTRY THAT TAKES
ONLY WHAT IT NEEDS
AND GIVES BACK WHAT
IT SHOULD.**

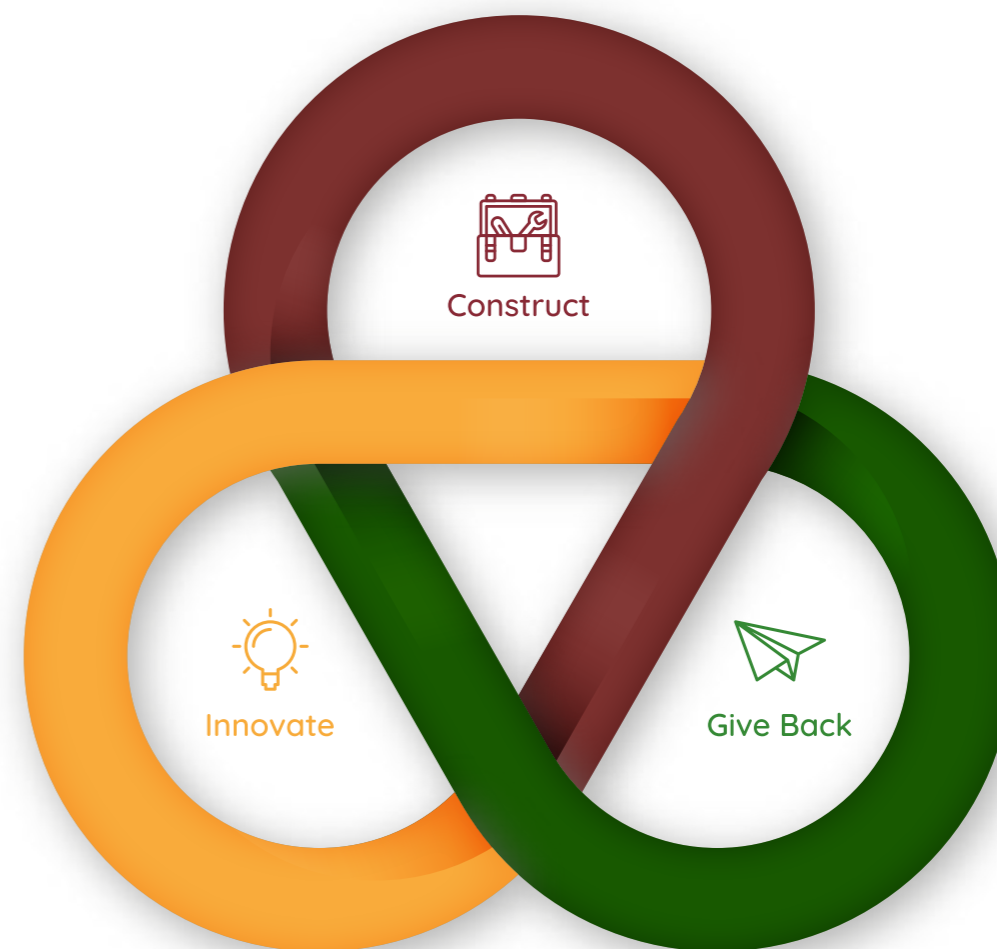

Our priority is not to count profits,
but to count carbon.

We will contribute to reducing our
industry's emissions.

**IF OUR VALUES
SPEAK TO YOU,
THEN GET IN TOUCH,
SPREAD THE WORD
AND HELP US TO...**

**CONSTRUCT, INNOVATE
AND GIVE BACK**

Thank you.
