

# QUALITY POLICY

## POLICY STATEMENT

---

Maple People Limited (MPL) is committed to the highest standards of environmental protection throughout all phases of building and construction operations. The company fully commits to supporting the overall environmental policy throughout the construction phase by upholding the policy principles.

The company will maintain an HSE system aligned with the principals of ISO 14000:2018. We will foster continual improvement through education, training and motivation.

## MAPLE PEOPLE LIMITED OBLIGATIONS:

---

- a) The project exists within a physical and socio-economic environment, which must be respected.
- b) All interested and affected parties have the right to information relating to the environmental impacts of all projects.
- c) The broader community should enjoy sustainable benefit from the impacts of all Projects.
- d) All environmental impacts of all Projects should be addressed responsibly.
- e) Community support is essential for the successful completion and subsequent operation of all Projects.

## COMPANY OBJECTIVES:

---

- a) Implement the MPL HSE Management System based on the environmental impact assessments and in compliance with the relevant environmental legislation, regulations and standards.
- b) Ensure the communication of the HSE Management System and its requirements to all personnel under its direction.
- c) Monitor the effectiveness of this communication and the understanding of the requirements by individuals on all Projects.
- d) Enforce line management responsibility within all Projects to ensure compliance with the HSE Management System.
- e) Minimize adverse impacts on the site environment and on the surrounding communities during all project phases.
- f) Liaise openly with all interested and affected parties on environmental matters.
- g) Monitor and report fully upon the effectiveness of the HSE Management System on an ongoing basis.

All employees are to regard environmental considerations as an integral and vital element of their day- to-day activities.
